

Wirreanda Public School

Bicycle rider safety guidelines and agreement

Our school encourages safe travelling for the whole community on their way to and from school. This guide lists our expectations for students as bicycle riders and their parents/carers.

Transport for NSW says:

- children under 10 years of age should be actively supervised by an adult when riding a bicycle
- all children under 12 years of age should cycle in a safe place off the road, such as a footpath or bicycle path, and away from vehicles
- any person under 16 years of age can cycle on footpaths, as well as people over 16 if they are supervising bike riders under 12 years of age.
- it is recommended children cycle away from busy roads
- all bicycle riders must obey the bicycle road rules.

<https://roadsafety.transport.nsw.gov.au/stayingsafe/bicycle-riders/laws.html>

Parents and carers are responsible for:

- how your child travels to and from school
- maintaining your child's bicycle. Bicycles must be safe and in working order, and by law must be fitted with a working brake and a bell.
- ensuring your child correctly wears an Australian Standards approved helmet every time they ride a bicycle
- teaching your child, the bicycle road rules
- completing and returning the *Parent/carer and child bicycle rider safety agreement*.

Students who ride bicycles to school are responsible for:

- completing the *Parent/carer and child bicycle rider safety agreement*, issued by our school
- **dismounting and walking the bike down Brocklesby Rd before entering the school grounds**
- using the school bicycle entry and exit points via Brocklesby Rd.
- walking bicycles on school grounds
- storing the bicycle in the bicycle rack. **Bicycles must be locked** with a chain and padlock supplied by the bicycle owner. Bicycles and helmets are brought and stored at school at the owner's risk.

Parents and carers will be notified if their child does not follow the conditions of the school's *Bicycle rider safety guidelines and agreement*.

Students may be banned from bringing their bicycles onto school grounds if they breach school rules.

Mrs Fiona Miller
Deputy Principal

Wirreanda Public School Bicycle rider safety guidelines and agreement

Child agreement

I, _____ of class _____

- have read and talked about the school *Bicycle rider safety guidelines and agreement* with my parents or carers.
- understand the information provided.
- will wear my helmet correctly when riding my bicycle to and from school.
- will keep my bicycle well maintained.
- will give way to all pedestrians on footpaths, crossings, and cycle paths.
- will walk my bicycle across the road at safe places and pedestrian/traffic crossings.
- will walk my bicycle on school grounds.
- will secure my bicycle with a lock and chain in the bicycle rack.
- understand that the principal may stop me from bringing my bicycle to school if I do not follow the rules.
- bring my bicycle and helmet to and from school at my own risk.

What is the right size of bicycle?

The right sized bicycle:

- is comfortable for the rider
- allows for the arms to be slightly bent as the body leans slightly forward holding the handlebars
- has controls within reach
- allows the rider's feet to just touch the ground when the rider is sitting on the seat
- allows the rider to straddle the crossbar with both feet flat on the ground. There should be about 3 cm between the bicycle and the rider's crutch for a light or medium weight road bicycle. For a BMX or mountain bike there should be a 10 cm gap. If there is no crossbar, make the test from where the crossbar would be.
- has a level seat.

If not, the bicycle is either too small or too big, and unsafe.

What is required by law?

A bicycle must be fitted with:

- a working horn or bell
- at least one working brake
- and display a flashing or steady white light on the front, a flashing or steady red rear light, and a red rear reflector if ridden at night or during hazardous weather conditions.

A guide to correctly fitting a helmet

Always wear a helmet when you ride
